ABOUT ME

Hi there! I'm a 22-year-old developer with experience in various technologies including JavaScript, PHP, Laravel, and ReactJS. I have completed my Baccalaureate and obtained a certificate from OFPPT in Digital Development with a focus on Full Stack development.

EDUCATION

- **OFPPT (National Office of Professional Training), 2021-2023**
- Specialty: Programming
- Completed coursework in JavaScript, PHP, Laravel, ReactJS, NodeJS, ExpressJS, HTML, CSS, and other programming languages and technologies
- Developed multiple projects, including a website using a variety of programming languages and frameworks

EXPERIENCE

- **Internship at XYZ Company, Summer 2024**
- Developed a web application using ReactJS and NodeJS
- Collaborated with team members to implement new features and fix bugs
- Gained experience with Git and Agile development practices
